FOR IMMEDIATE RELEASE

Westbound Interstate-80 Zampa Bridge-Overnight Lane Closures Start Friday, January 23 at 8:00 PM

SOLANO and CONTRA COSTA COUNTIES – The California Department of Transportation (Caltrans) will perform expansion joint maintenance work on westbound Interstate-80 (I-80) just west of the Zampa Bridge near the westbound I-80 onramp from Crockett.

Crews will repair one of the joints on the elevated portion of the westbound I-80 approach from Crockett. No steel plates will be used when lanes are opened to traffic. This work is routine maintenance, and is not related to last August's Napa Earthquake. Vessels will pass normally beneath the bridge on the Carquinez Strait.

The two consecutive weekend nights of work start Friday, January 23.

Westbound I-80 Lane Closures

For worker and public safety, up to 3 of 4 traffic lanes of westbound I-80 on the Zampa Bridge will be closed during the following hours:

Friday, January 23 at 8:00 PM until Saturday, January 24 at 7:00 AM.
Saturday, January 24 at 11:00 PM until Sunday, January 25 at 9:00 AM.

One westbound lane will remain open at all times. All work is weather permitting.
